Pioneer Days Recalled

Senior Citizens Enjoy Hospitality of Lionettes

The fourth annual Senior Citizens' Night held in the L.O.O.F. Hall, Vulcan on Tuesday evening, Oct. 30, proved very successful, with 126 Senior Citizens in attendance for the turkey supper and entertainment sponsored by the Vulcan Lionette Club.

Three ladies were over 80 years of age and one gentleman over 90 years of age and they were presented with souvenir gifts to mark the occasion.

As the guests arrived, each was presented with a carnation boutonniere. Carnations were also presented to Senior Citizens in the hospital.

Following the banquet, J. H. Deans gave the toast to the ladies, with Mrs. E. Bowie replying.

Lionette President Lola Findlay acted as chairman and extended the best wishes of the club that all might have a most enjoyable evening, following which she introduced those at the head table.

Mayor W. Munro spoke, on behalf of the Town, complimenting the Lionettes on the project and Howard Spach extended greetings from the Lions Club.

The highlight of the evening proved to be an address given by Mrs. D. B. Smith, who reminisced of early days commencing with her arrival here as a 12-year-old girl, and the trials, tribulations and hardships, experienced in this area in those pioneer days.

A new innovation this year was the taking of pictures by movie camera during the supper hour and these movies will be shown at the next Senior Citizens' Night.

Photos and relics of early days were also displayed and proved quite interesting and brought up a good deal of discussion by recalling events and persons of many years ago.

Following an intermission spent in visiting a very entertaining one and one-half hour variety program was presented.

The program consisted of a piano solo by Margaret Willard; an intricate and difficult tap routine by Linda Gay Flitton; a tap dance by Garry and Linda Gay Flitton; a Marionette show by the Lionettes; an accordion number by Mrs. Marion Craig; a vocal solo by Charles Ottewill; a display of magic by Ray Wellman; vocal number by the Lions Club Quartet; a vocal solo by Michael Denbigh; a recitation by Charles Andrews; a display of Indian Club swinging by Lola Findlay, and an electric guitar duet by Linda Gay and Ray Flitton.

Senior citizens were very generous in their praise of the fine hospitality of the Lionette Club in sponsoring the evening and of the delicious supper and enjoyable program.

DR. E. W. R. STEACIE, president of Canada's National Research Council, Ottawa, officially opened new research and engineering facilities at Imperial Oil's Sarnia refinery last week. Forty-two deans and professors of chemistry and engineering departments of universities from across Canada attended the ceremonies, together with scientists from government and industry, following a two-day symposium sponsored by Imperial. Dr. Steacie spoke of a "very encouraging growth in Canadian industrial research." He warned that "the expansion of industry, accompanied by increasing research, means not only a need for more technically trained people, but also a need for better technically trained people."

Bank Nova Scotia Has Best Report

The Bank of Nova Scotia was judged as having the best annual report of the Canadian Banks for 1955, in the final ratings by an independent board of judges in the sixteenth annual survey of "Financial World," national weekly magazine. The bronze "Oscar of Industry" will be presented to Mr. C. G. Webster, New York agent of the bank, at the annual awards banquet in the grand ballroom of the Hotel Statler in New York on Monday evening, Oct. 29, 1956.

A total of 5,000 annual reports were entered this year in the international competition. Around 1,700 reports qualified for the final screening and these were judged in 100 industrial classifications for bronze trophies. In the Canadian Banks classification The Toronto-Dominion was runner-up for the honors, while The Royal Bank of

Cowpuncher And War Veteran, Robert Rose Dies

Robert Rose, aged 71, resident of Milo and well known oldtime cowboy, died suddenly in the Vulcan hospital on Saturday, Oct. 27.

Born in Scotland he came to Alberta before the turn of the century and homesteaded four miles south of Milo. He later worked with the C.C. Co., and with the old "O" Ranch at Queenstown and then, for 35 years, he rode for Douglas Hardwick's Lazy H Ranch until its breakup in 1943, when he moved to Milo.

A well known cowpuncher of the plains country, "Rosy," as he was known to all, returned to England when World War I started and enlisted in the Royal Sussex Regiment, transferring a few months later to the 1st Div. Canadian Corps Cyclists. He served in France and Belgium until the Armistice, receiving his discharge in May 1919. Returning to Canada, he resumed his job at the Hardwick ranch. In 1954 he was made a life member of the Queenstown-Milo Branch, Canadian Legion and in 1955 he was the recipient of the Alberta Jubilee Scroll.

The Rev. J. S. Clarke of Vulcan conducted funeral services at the Milo L.O.O.F. Hall on Wednesday, Oct. 31, and graveside services in the Field of Honor at the Vulcan cemetery. Milo boys of the Calgary Highlanders (Militia) formed a guard of honor and a firing party as "Rosy" was borne to his last resting place by old friends and former cowboys of the old Hardwick Ranch. Active pallbearers were W. Marks, J. Marks, F. Marks, L. Stokes, C. Shields and E. Sturrock. Honorary pallbearers were Tom Webber, Sr., Alan Robertson, J. Thomson, G. Elder, S. Brown, A. V. Symes (1st World War veterans); E. A. Jones, N. Munson, J. R. Goldthorpe, S. Page, W. Shields, Sr., and W. Shields, Jr.

"Rosy" will always be remembered by his old friends as a generous and happy person. It was an impressive scene at the Field of Honor as fellow-veterans dropped their poppies on the grave in final tribute in the bright Alberta sunshine of the autumn day.

Panel Discussion On Sunday At Church of Christ

A new type of evening service will mark the Sunday night service of the Vulcan Church of Christ this coming Sunday night. This service will be one of several new types to be used during the next few months in an attempt to recapture the interest of both the church itself and the community as a whole in Sunday night church services.

Church officials have expressed an opinion that several means for Biblical teaching upon subjects of public interest are available for use but that so far few of them have been utilized in church life. The one most commonly used has been films. The local congregation began to use this means over two years ago and has been highly satisfied with the results.

The service for this Sunday night will take the form of a panel discussion with a question period at the close. The subject chosen for this week's panel is: "Wanted — A Living Sunday."

Members of the panel will be Merle Zimmerman of Nanion, Albert Collier, Douglas Smith and Pat Robertson, with the local minister acting as Moderator. Respective subjects for panel members will be viewpoints on Sunday worship, viewpoints on Sunday work, viewpoints on Sunday recreation and amusements, and teenage viewpoints.

THE WEATHER

Fairly good weather has prevailed this week, with daytime temperatures in the 30's. Wednesday was bright and sunny. What harvesting remaining to be done is still stalled after the snowstorm of ten days ago because of high moisture content of the grain.

Ontario averages 1,200 forest fires a year, many of them caused by human carelessness. Fires and insect diseases have cost more timber than all the commercial cutting since logging began.

50th Wedding Anniversary

SEVENTY-FIVE GUESTS signed the guest book when Mr. and Mrs. S. Washburn held open house recently to celebrate their 50th wedding anniversary. Mr. and Mrs. Washburn were married on Oct. 4, 1906, in the U.S.A. and Sop brought his bride back to the

homestead where they have resided to date. Many gifts were received which included a large gray arborite table from their friends in the Mossleigh and Arrowwood districts. In this picture Mr. and Mrs. Washburn are shown cutting their wedding cake.

Armouries at 3 p.m.

Remembrance Service On Sunday; Stores Will Close Monday, Nov. 12

All merchants and most other business places in Vulcan will close on Monday, Nov. 12, in observance of Remembrance Day, which falls on a Sunday this year. Nov. 12 has been declared a provincial holiday by the lieutenant-governor in council and will be observed as such by Vulcan merchants.

On Sunday, Nov. 11, the morning service at most churches will feature Remembrance Day observance.

At 3 p.m. on Sunday, a non-denominational Remembrance Service will be held at the Vulcan Armouries with Arthur R. Smith of Calgary as guest speaker. The members of the Canadian Legion, Calgary Highlanders Militia, Vulcan Cadet Corps, Scouts and Cubs will form up at the Canadian Legion at 2:30 p.m. and will march to the Armouries to attend the service and, at the end of the service, will march to the cenotaph in the Memorial Park, where wreaths will be laid in memory of the war dead of Vulcan and district.

The Remembrance Service is being sponsored by the Canadian Legion and members of all local organizations and the general public are invited to attend.

Tells History of Prairie Wheat

The year when the "wheat quota" for the Canadian Prairies was only 5,000 bushels — and when less than a fifth of that small figure was actually delivered — is recalled by Agriculturalist Grant MacEwan in a 15-minute radio talk in the "Cominco Commentary" series.

The popular "Cominco Commentary" broadcasts sponsored by the Consolidation Mining and Smelting Company of Canada Limited are heard every Sunday on radio stations throughout the Prairie provinces.

In his review of the history of Prairie Wheat farming, Mr. MacEwan recounts the long journey of a young Toronto wheat buyer to Winnipeg in 1876, his significant offer for 5,000 bushels of Prairie wheat, and the disappointing quantity but impressive quality of the product received.

From the beginning, Mr. MacEwan follows the rise of prairie wheat production from the 1876 low to the 1951 high of 500 million bushels. In addition, he traces the change in wheat varieties; from Red Fife to Marquis, then to the "tailor-made" rust resistant types now in general use.

In other talks in the current "Cominco Commentary" series, Mr. MacEwan comments on such subjects as winter livestock fattening techniques, and new developments in scientific agriculture.

Six Resolutions Passed

F.W.U.A. Locals Hold Rally At Arrowwood

Fifty ladies of Sub-District 5, F.W.U.A. held a rally at Arrowwood on Oct. 24.

Mrs. Margaret House was in the chair with Mrs. B. Papp acting as secretary.

Locals from Milo, Glichen, Red Cross, Armada, Berrywater and Arrowwood attended and reported on their work for the year.

Mrs. Leigh Williams of Arrowwood welcomed the group to Arrowwood and Mrs. Parslow of Vulcan responded.

A very interesting talk on Mental Health was given by Mrs. Parslow.

Mrs. McKeever, Mrs. Parslow and Mrs. Ward were nominated for Order of Business and resolutions for the day.

Mrs. O. Douglas spoke to the group on Farm Policies in Canada, the structure of the organization and on plans for the coming convention in Edmonton.

Miss King from the Old Sun Indian School at Glichen spoke on the history of the Blackfoot Indians and the work being done at the school.

Mrs. Ken Walker spoke on the teaching of Home Economics at the school and showed some of the students sewing.

Some valuable books and pamphlets available to the farmers and farm groups were presented by Mrs. House.

Following a talk by Mrs. B. Papp who attended the Banff work shop for Home and Schools there was an interesting discussion on the teacher shortage, high school drop-outs and bursaries and scholarships available to students.

Six resolutions regarding mental health, milk for school children, the contemplated sales tax, stabilization and equalization of wheat quotas, a teacher survey and assisting the Indians in their problems of re-adjustment were presented by the resolution committee and passed by the group.

With the present critical position of farmers in mind, the importance of the forthcoming membership drive was stressed.

A vote of thanks was extended Mrs. House at the close of the day for her work in preparing and conducting the rally.

Tea was served following the adjournment.

- Oct. 29, to Mr. and Mrs. Bert Akitt, Carmangay, a daughter.
- Oct. 30, to Mr. and Mrs. Peter Ruppert, Lomond, a son.
- Oct. 31, to Mr. and Mrs. Clayton Clarkson, Vulcan, a son.

prussic acid will decrease with storage. Even if the hay contains poisonous levels of prussic acid, a small daily allowance of this feed could be fed safely along with other feeds. However, if the plants were not sufficiently frozen to prevent seed formation, it is wiser to harvest the crop for the flax grain. As mentioned above, the grain may also contain dangerous levels of prussic acid for livestock if frosted before maturity.

Gasoline, benzene, naphtha and other flammable liquids should be kept in metal containers. Paint gasoline cans red so they won't be mistaken for kerosene cans. And never try to start a fire with gasoline — the vapor explodes.

Swimming Pool Aided By "Slave Market"

The Lions Club "slave market" held on main street last Saturday afternoon, proved to be quite successful, with a total of \$799 realized to help offset the past season's deficit in the operation of the Memorial Swimming Pool.

Auctioneers Gerry Golag and Commodore Allen got bids for individual Lions of as high as \$25. One Lion was sold twice, another Lion was brought by the Lionette Club to arrange a program for their charter night and he, in turn, promptly bought the services of another Lion to assist him.

It was an entertaining as well as profitable stunt for the Lions Club, and all for a very worthy cause.

Doctor Speaks On Mental Health

On Thursday evening the members of Reid Hill W.I., entertained their husbands, the ladies of Thigh Hill and Kirkcaldy W.I.s and their husbands at a social evening in the Legion Hall.

There was a very fine attendance and the evening's program commenced with a most informative address by Dr. M. E. Kozol, who chose as his subject "Mental Health." Cards were played for some time, after which a comic skit was presented and some of the male guests favored the gathering with vocal selections.

Serving of lunch brought the evening to a conclusion.

Who Owned The Stove?

In 1902 the late Marvin Morrill and his family settled in the Blackie district on the farm now occupied by his son, Mr. H. O. Morrill. On the farm there is a flat-bottomed coulee which has a running spring and which has never as yet been plowed. Two years ago a sudden heavy rain sent a water flood down the coulee which opened a wash-out in the bottom five feet deep, 10 feet wide and some 70 feet long. At the head of this new gully, a part of a stove was seen resting on bed rock, with the top 12 inches from the ground level. For various reasons, Mr. Morrill did not get around to investigating the find until August of this summer, when he asked his neighbor Mr. Calvin Lowery, to dig it out and date the results.

Mr. Lowery dug it out this past week with the following date logged. The grass land has never been touched by a plow or erosion since 1902 as the owner of the farm has walked or ridden over the site hundreds of times since 1902. The stove, a round pot-shaped heater, appeared to have been set on bed rock in a pit about four feet in diameter with ordinary field rocks placed all around the stove body which were still in position and the rest of the pit filled with gravel and clay to the top of the stove. The flat top was secured to the fire pot by two bolts, the fire pot also was secured to a stand by two bolts, one of which was still intact. No trace of the stand was found, no trace of any other article was found. Several small pieces of the fire pot were broken out but were still lying against the stones. No trace of a maker's name or any mark due to rust incrust is visible at present.

If any reader can suggest any place where Mr. Lowery could send this find for identification, please send it along to the Farrow correspondent, Mrs. F. Mason, who will forward it on.

SOWING WILD OATS is part of his job, insists Earl Emmond of Imperial Oil's research staff at Sarnia, Ont. He hopes to help farmers across Canada get rid of the troublesome weed which invades grain fields in many areas. Pri-

marily engaged in research to assist Canada's agricultural industry, he is shown demonstrating a specially-developed spray during a symposium held by Imperial which brought together scientists from universities, government and industry.

New Concrete Plant, Lethbridge

Jeffries Concrete Products (Lethbridge) Limited, an associate company of Jeffries and Sons Limited, Calgary, officially opened their new Concrete Products Plant at Lethbridge in October.

The new plant, situated on a twelve acre site at the corner of Fifth Avenue and 28th Street N., incorporates the most up to date equipment for the production of high quality concrete products. At the present time the plant is set up to produce concrete pipe of 8" to 54" diameter, both plain and reinforced, but provision has been made in the planning to allow space and facilities for future concrete products and precast work. The plant is serviced by a spur from the Canadian Pacific Railway on which is brought in bulk supplies of cement. These cars are spotted over the intake hopper of a Johnson elevator which takes the cement to a storage hopper of 3,000 bag capacity. Sand and gravel shipped by truck from a local source is elevated to bins at the top of the building by means of an inclined conveyor.

All materials passing into the Esser Rotary concrete mixer are proportioned by weight in a Johnson weight batcher. After mixing the concrete passes on a small conveyor to the hopper of the pipe machine. The Universal Concrete Pipe

should not give way to carelessness. To keep hunting at its sporting best, the council stresses gun safety. Never point a gun at anything you have no intention of shooting. Treat the unloaded gun with the respect commanded from a loaded one.

While underway and your quarry is in sight don't be in such a great hurry that you climb over fences with the loaded gun. Pass the gun through the fence. Have the muzzle pointing away from yourself and your companions. Make sure the safety catch is on. It proves very comforting should you happen to stumble. Also refrain from standing a loaded gun against a fence or tree and don't pull it toward you by the barrel.

Finish your hunting trip with a pleasant ending by carrying only empty guns, taken down or with the action open, into your automobile or camp and especially into your home.

Carmangay

Miss Huber, R.N., left for a month's vacation to Winnipeg, where she will visit her sister.

Jack Taylor of Calgary spent the weekend visiting with his family.

Allan Soderquist left recently for Calgary where he is now attending the Tech. School.

Activities are seen now as the Lions are getting ready for their annual Lions carnival night to be held on Nov. 9 and 10.

Edna Smith of Raymond spent the weekend visiting with her parents, Mr. and Mrs. Fred Smith.

Mr. and Mrs. L. Bodie and family have moved into town.

Mrs. W. H. Miller left on Tuesday to spend the winter in Calgary.

The Wolf Cubs started canvassing for orders for Christmas trees this week.

Blanche Coe attended the hairdresser's convention in Calgary last month.

Mrs. Korth and family were visitors in Calgary last week.

Hallowe'en Party

A very successful Hallowe'en party was held in the school Wednesday evening. The pre-school children and Grades 1 to 6 held their party from 6.30 to 9.30 p.m. A grand parade was held with the children being divided into three

groups and prizes were awarded for the costumes as follows. Preschool — Margo Coombs, Wendy McFarland and Gary Yeomans; Grades 4 to 6 — Ward Knight, Marilyn Hubka, Terry Moore; Grades 7 to 9 — David Baldwin, Florence Hubka and George Yeomans.

After an enjoyable evening of games and films each child was presented with a bag of treats.

The Grades 7 to 12, held a dance from 9.30 to 11 p.m., and a very enjoyable evening was had by all.

4-H Club Achievement Day

Achievement Day for the southern part of Vulcan County 4-H Clubs was held at Carmangay on Nov. 2. Prizes for the year were awarded, two of which were superior class ribbons for samples

of wheat.

Robert Cooper, assistant superintendent for 4-H Club work, from Edmonton, told how the grain was classified and judged and said that only three superior class ribbons had been awarded by him this year, two of them at this show. These were the Grand Champion ribbon to Dale Groves of Carmangay and the Reserve Champion ribbon to David Hanson of Vulcan. Some of the grain shown was good enough to be shown at the Provincial Show, while some was touched with frost, but showed careful preparation.

At noon fifty club members enjoyed a dinner served by the Carmangay members' mothers at the United Church Hall. The Reverend Peter Dawson was the guest speaker and told of his trip to parts of Europe and to Britain, and showed slides of the places he visited.

Hugh Michaels, provincial agriculturalist gave the high standing of the individual members in each club. These were Glenda Moore,

Carmanay, who also won the Carmangay Lions Club cup which was presented by Vilas Teskey; Dale Groves, Champion, who was also presented with the County of Vulcan trophy for the best wheat by Spencer Burns, County Field Service of Vulcan, and Jim Graham of Vulcan. Billy Miller will be the Carmangay member to attend the Olds short course along with Dale Groves and Jim Graham. Glenda Moore won the trip last year.

The Carmangay Club won the cup for the club with the highest standings again this year.

Jerry Jones, and A. Sherman agriculturalists from Lethbridge, conducted the judging of grain samples by the members and the questions submitted by the office in Edmonton. They each have helpful hints to the members in their comments.

Miss Elizabeth Bartman, home economist of Lethbridge, judged the thematic displays and told the meaning of such a display.

The Carmangay Club placed first with "Farm Safety" and won

the Vulcan Lions Club award, which was presented by Ross Walker of Vulcan.

In this project the Vulcan Club placed second with ideas to help reduce the surplus of wheat.

Champion was third with a Farm Safety theme.

Mr. Bell, fieldman for the Drumheller district of the Alberta Wheat Pool, awarded the Pool prizes of wallets to the member in each club having the best grain plot. Dale Groves was the winner from Carmangay; Douglas Brandwold, Carmangay, and Jim Graham of Vulcan.

In his remarks Mr. Bell gave some ideas for thematic displays. He also noted the Carmangay members plot signs which were very good. Two of these signs will be on display in Lethbridge.

Sid Thompson, leader of the host club, was chairman for the afternoon program.

Two comedy skits were staged, one by the Champion Club and the other by Carmangay. Both were enjoyed by the audience.

MORE KITCHEN CUPBOARD SPACE
MORE STORAGE SPACE FOR EVERYTHING

here's how SYLVAPLY plywood makes more space easy to have!

get free plans for these handsome, easy-to-make units at your lumber dealer's. Then do it yourself or have it done . . . either way, you save with Sylvaply plywood!

ATTICS & BASEMENTS: so much valuable space going to waste! Convert them into playrooms, workrooms, bedrooms . . . do it in your spare time with Sylvaply! Free folder shows how quickly the 4'x8' Sylvaply panels cover a lot of area, go up with a minimum of effort, are easy to erect by any homeowner. And when your project is done, you'll be surprised at the amount of added value you have given your home!

WALL TO WALL VANITY: just what your bedroom needs! Even has fold-away makeup table, is easier to make than you think. A vanity like this answers your where-to-store-it problem, from undies to bed linens. Even the drawer design, so often the bugaboo of do-it-yourselfers, has been simplified. See your lumber dealer for the free plan . . . and proudly present this vanity to your wife!

SHELVES & CUPBOARDS: every room can use them, any amateur can make them! Free plan is a-b-c easy to follow; all you need are simple woodworking tools and Sylvaply. And what a pleasure to use this handsome plywood! Saws easily, can be finished or painted in dozens of ways. Think of the uses you have for cabinets and shelving like this!

LIVING ROOM ENTRY DIVIDER: a boon for the home without an entrance hall! Gives your living room new dimension, gives you storage space for books, records, glassware on one side . . . has a closet on the hall side, and uses only a 12" strip of floor space! Be sure to see your lumber dealer for a free plan . . . this home improvement project is a beauty!

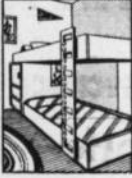

MODERN KITCHEN CABINETS: or a brand new kitchen, the Sylvaply kitchen cabinet booklet answers your kitchen storage and remodelling problems! Now you can have cupboards for canned goods, shelves for appliances, cabinets for pots and pans . . . room for everything! It's a booklet that will save you many dollars — and it's absolutely free! Be sure to get your copy at your lumber dealer's.

BEDROOM STORAGE WALL: solves clothing storage problems from suits to socks! Designed for easy building with 4'x8' Sylvaply panels, can be built to any size in any bedroom. Has a "his" and "hers" section, costs about one-third the retail price to make! Average skill with ordinary woodworking tools, and the free plan can create this unit for any family. Start on it this weekend!

DINING-LIVING ROOM DIVIDER: creates two rooms where there was one, creates extra storage space as well. And how simple to make! Basic tools and Peter Whittall's easy-to-follow instructions are all you need. Plus, of course, Sylvaply from your lumber dealer. He has this free plan for you. Be sure to see it, read it, start this unit right away!

BUNK BEDS: just what youngsters want, has a built-in storage cabinet for toys, clothes, bed linens. Strong, handsome, will serve from the early years 'til way in their teens. Needs no springs, is assembled with ordinary butt joint construction. Actually, if you can handle a hammer and saw, you can make this long-life bunk bed in your spare time.

WORK BENCH WITH CABINETS: the do-it-yourselfer's basic need. Has storage space for everything: tools, nails, screws . . . and best of all, is sturdy, strong, easy to make. So well designed, you'll want to paint it and make it a recreation room feature! Free Sylvaply plan shows you precisely how to go about making this essential unit.

FLOOR CABINETS: for dining room, den, everywhere you need counter height storage space. Beauty of building it with Sylvaply is the simplicity of construction . . . and the free plan tells precisely what to do. Peter Whittall, Canada's Mr. Do-it-yourself prepared the plan, so you know it's easy to make!

MANY OTHER FREE PLANS are available at your lumber dealer's. Come in and take your pick . . . they will help improve your home, add valuable storage space, give you usable units your home needs. Choose from:

QUEENSTOWN

Mr. and Mrs. Hutchinson and family have moved to Calgary. Mr. and Mrs. Jimmy Brown have taken up residence in the home formerly owned by Hutchinson.

Mr. Brown took over the Queenstown store on November 1. Miss Sheila Nelson who has been clerking in the store for the two previous owners, is also working for Mr. Brown. Everyone wishes

Mr. Brown success in his new investment.

Mr. and Mrs. Hutchinson were presented with an electric frying pan from the community together with best wishes from everyone.

Miss Noreen Nelson is working in the Bank of Nova Scotia at Milo.

Mr. and Mrs. Howe and Allah were Calgary visitors for a couple of days.

Mr. Durston and family accompanied Mrs. Durston to Calgary last week where Mrs. Durston attended the Teachers' Convention.

Mrs. Mamie Ferguson from Calgary visited at her brothers' homes, namely Mr. Ordie Lahds and Mr. Jesse Lahds last Friday.

Mr. and Mrs. Conklin had a busy night on Halloween night, when they had open house for all children from 1-12 years. There were over 30 children that attended the party. Games, treats and prizes filled the evening. Prizes for best costumes went to Jack Edward, dressed as a girl with long golden curls, also to Randy Anderson, dressed as the devil. All parents appreciated Mr. and Mrs.

Conklin's effort in keeping children off the streets. Thanks to the boys who removed barrels and trailers off the roads on their way home from the party.

A bridal shower was held in Queenstown Community Hall in honor of Miss Marilyn Lahd whose marriage takes place on November 10. Marilyn was presented with the gifts by Miss Audrey Bushell who together with Miss Lorna Nelson assisted in opening the gifts. During the course of the afternoon Mrs. Wray McCallum sang a solo. A recipe book was compiled with favorite recipe from friends present and a mock wedding ceremony was performed.

The community extends their sympathy to Mrs. Ken McLean and the Beckner family in the loss of their mother, Mrs. Ruth Beckner, who passed away at Creston, B.C., last Friday.

The Wheat Pool have been broadcasting the danger of feeding frozen flax to animals. It has been reported that a local farmer lost cattle from feeding frozen flax before he knew of the danger of that acid found in same.

Mr. and Mrs. Campbell from Brooks, were visiting at the home of Mr. and Mrs. Jim McLaughlan. Ordie Lahd was in Vulcan hospital for X-ray.

Wallace Maclean, Mallet, Brown sisters, Mr. and Mrs. Hardwick and

Hardwick girls were down to attend the funeral of the late Mr. Eob Rose. The funeral of the late Bob Rose was held in L.O.O.F. Hall at Milo on Wednesday, Oct. 31. The Milo Platoon of the Calgary Highlanders took part in the service giving the rifle salute at the cemetery. Interment was in the Vulcan cemetery.

The Milo-Queenstown Legion had a successful turkey shoot at Liberty School. They are hoping for a good attendance at the Armistice Dance to be held in Queenstown on November 9. Don't forget the Armistice Service on Monday, Nov. 12, at Queenstown, at 10.45 a.m. Rev. Peter Dawson conducting the service.

Lawrence, Lynda and Terry Gooch visited at their grandparents, Mr. and Mrs. Brown, last week when school was closed for Teachers' Convention. Mrs. Gooch was down Saturday and Sunday to visit her parents and to take the children back to Calgary. Mr. Clifford Brown, brother of Mr. Stan Brown accompanied Mrs. Bob Gooch.

Mr. and Mrs. Peter Negrave, Jr., visited at his parents this weekend.

Ron Fetkener visited at the Jack Bushell home and at friends of the district last weekend.

Mrs. Conklin's mother and father from Calgary were visiting at the home of Mr. and Mrs. Conklin.

Ray and Walter Leadbeater were up big game hunting last week. They were unfortunate and came home with no game. The trip was a worth-while one in that they toured the Exshaw cement works while up there and found it most interesting.

Mr. and Mrs. Chris Nelson moved into their new home last weekend, the home formerly occupied by Mr. and Mrs. Sid Blackley.

The November meeting of the Queenstown W.I. was held at the home of Mrs. J. Bushell on Nov. 1. Members answered the roll call with a toy for Red Cross Hospital. Old clothing will be collected for Unipetean Service. A donation will be made to the Rheumatic and Arthritis Society. A T.V. lamp and crib quilt is to be raffled off in the near future. Jams, jellies and pickles brought in last month were auctioned off. All the members supplied lunch.

MIL0

Residents of Milo and district are reminded of the bazaar and tea in the L.O.O.F. Hall on Saturday, Nov. 10. This bazaar is being sponsored by the Lutheran Ladies' Aid.

The Milo Cub and Scout groups will hold another produce bingo on Friday, Nov. 16, in the L.O.O.F. Hall basement. Home produce and dairy products will be given as prizes during the evening, as well as a jackpot prize.

Spooks and witches, as well as various other Halloween personalities haunted the realms of the Milo school on Wednesday afternoon. The elementary grades all had Halloween parties, and the teachers were assisted by the room mothers previously appointed by the Home and School Association.

Mr. and Mrs. Ken Stumpf and boys, and Mr. and Mrs. John Goldthorpe spent Sunday at Lomond with Mr. and Mrs. Hurst Goldthorpe. Mr. Goldthorpe, Sr., was congratulated on the occasion of his 69th birthday.

Mr. and Mrs. Cliff Hellevang and girls motored to Acme over the weekend to visit with Mrs. Hellevang's mother, Beverley Hellevang returned to Milo with her parents after a lengthy stay with her grandmother.

Miss Marguerite Anderson and Miss Betty Anderson spent the weekend in Calgary.

Mr. and Mrs. Ferguson and children spent the weekend visiting with Mrs. Ferguson's sister at Spring Coulee.

The Junior Dancing Club will resume its activities from 10-20 each Saturday morning beginning on November 17. All students who are interested are welcome to attend.

Two-Legged Horses Parade In Milo

On October 31, twenty-six "Masked Riders" of the Grade 1 and 2 class paraded downtown on their burlap horses. Doug Umscheid led the group and kept time for the paraders on a small drum.

Judy Hellevang brought up the rear twirling a baton as she marched. The rest of the group all carried rhythm band instruments and stopped at intervals to play and sing a Halloween selection. The riders were accompanied by their teacher and their room mother, Mrs. Edna Shield, both masked to suit the occasion.

After the parade, the group of youngsters returned to the school to enjoy games and treats. Six little guests were present to take in the events of the afternoon.

BRANT

On Oct. 25, the Brant Catholic Women's League held their annual tea and bazaar in the community hall. Having been favored with good weather the event was well attended and ladies working at the sewing table, bake table and tea table were kept busy. At 4.30 President Mrs. C. Rhodes announced winners of the draw. Mrs. H. Houle of Morrinville, Alta., won the electric frying pan and second draw won the steak knives for Mrs. K. Maedynge of Calgary. Members of the League are very appreciative of the splendid support they receive in this annual event.

Now there's no doubt... 1957 is GMC's year for truckers everywhere. With brand-new standard transmissions, new engines, new GVW's, new axles, new styling, new comfort and much, much more! See your GMC dealer—right away—and see these "Blue-Chip" Money-makers! They're waiting for you!

GMC BLUE-CHIP MONEYMAKERS for 1957

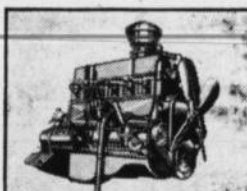

with Speed-Line Styling, "Performance Packed" Power-Trains
... Engineered for Team-Work—Engine to Axle

GMC Custom and Deluxe Cabs have a spectacular all-round panoramic view. And there's new comfort and color—a new seat—a new non-glare instrument panel.

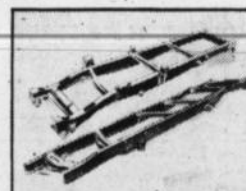

Power to Spare in GMC V8's. GMC for 1957 offers you a performance-proved selection of V8 power units with up to 210 horsepower to handle any job.

Big Line-up of GMC 6's for '57. Many truckers swear by a 6—and no wonder, with the rugged power plants GMC has to offer! Up to 148 driving horsepower.

Three Automatic Transmissions for "Shiftless" Driving. Proven, popular and powerful, Hydra-Matic, in Standard and Heavy Duty models, really saves wear and tear on trucks and truckers. On 9700 through W-9900 Series, there's optional Powermatic employing completely new principles in automatic power transmission. Powerglide, for light duty work on Sedan Delivery vehicles, is the simplest, least complicated of all automatics.

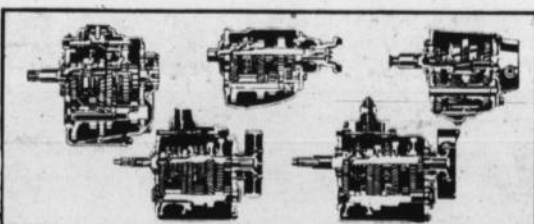

New, More Rugged Frames. New load-carrying capacity is another sign of '57 GMC newness—new safety, too, with a stronger-than-ever frame design. Welded channel sections, reinforced with alligator-jaw cross-pieces, provide maximum strength for GMC's backbone!

Threaded Spring Shackles. Easier-to-service suspension points up GMC's eye on the future for truckers. Spring shackles are now threaded for easy removal and replacement.

New Rear Axles. GMC's wider-than-ever range of Hypoid rear axles makes it easy to find just what you need—custom-created to fit your job.

Five Sturdy Standard Transmissions. Now, for 1957, GMC brings you everything that's new in standard transmissions. Truckers everywhere know the reliability of famous 3-speed Synchro-mesh, the Heavy Duty Synchro-mesh and the 4-speed H.D. But GMC also has two new 5-speed units... the New Process transmission for medium duty work, and a real workhorse—the all-new Spicer 5-speed Heavy Duty truck transmission.

Champion

Mr. and Mrs. Dave Deal and Mr. and Mrs. Con. Deal returned from a trip spent at Mackwau, Meadow Lake and other Saskatchewan points.

Don Steeves, Tom, Harry and Frank Ruggles went big game hunting.

The Champion Library Association held a Board of Directors meeting in the Library building on Tuesday evening, October 30. There were eight members present. The Financial Statement showed a bank balance of \$174.22. The problem of heating the building was discussed and it was decided that for the present at least the coal heater now in use would suffice and Mr. Versluys volunteered to see that coal and wood would be available immediately. It was decided that a bake sale would be held in the Library building on November 7, with Mrs. Howerton convening the sale. Several of the members volunteered to assist in this project. The following books are now in the library shelves: Lamp in the Wilderness, J. L. Spencer; Caroline Matilda, G. V. Blackstone; The Cashier; These Lovers Flew Away, H. Spring; Sunlight Ambush, M. Derby; The Rosemary Tree, E. Goudge; Valley of the Vines, J. Packer. Two books of much interest to those interested in party entertainers, Games and Parties and More Games and Parties by N. Lewis are available. It was reported that 53 membership cards have been issued.

Mr. and Mrs. Oscar Hagg returned on Tuesday evening of last week after spending the past several weeks at the West Coast. Mrs. Bessie Siler was a patient in the Camnangay Hospital for several days last week. Mr. and Mrs. Melville McLean were Calgary visitors on Thursday of last week. There were several who attended the turkey supper in the United Church on Friday evening, of last week who were former residents of Champion. They included Mr. and Mrs. R. I. Baker and son, Bob, of Coaldale; Mrs. A. S. Roberts and Milt Moffatt, both of Lethbridge; George Rhodes of Calgary. Mr. Baker was principal of Champion School when it was a consolidated unit, and was here for twelve years. Mr. and Mrs. M. Sisson and Gerry Blackford were Lethbridge visitors on Sunday at the home of Mr. and Mrs. Brian Blackford. Mr. and Mrs. Eli Hopkins and Jimmie leave this week for a holiday to be spent in California and Mexico. Mr. and Mrs. Norman Carlson accompanied by Mrs. L. Powell were Sunday visitors at the home of Mr. and Mrs. Chris Hildebrandt and Mr. and Mrs. Sturtevant and Lee Sturtevant in Lethbridge. All the teachers on the staff of the Champion Schools attended the Teachers' Convention in Calgary last week. Mr. and Mrs. George Ellis and family were weekend visitors in Calgary at the home of Mr. and Mrs. Jim Anderson.

UNITED CHURCH

The Turkey Supper which was held in the Champion United Church on Friday evening was a decided success. The ladies of the Senior and Junior Woman's Association set places for over 400. The appetizing dinner consisted of tomato juice, turkey, chicken and ham, fruit and vegetable salads, dressing, cranberry sauce, pickles, hot dinner rolls, a variety of pies and tea or coffee. Those who were able to remain for the program afterwards were privileged to see some rare pictures of scenes in and around Panff including some close-ups of wild life in that National Park, shown by Rev. T. H. Lonsdale who had served as minister at Champion in 1912-15. Mr. Lonsdale is a great lover of natural beauty and his running commentary on the pictures was intensely interesting. There were those present, who remembered him when he was in Champion and his brief reminiscences were enjoyed by all. Among the former residence who came out of town for this anniversary were Mr. and Mrs. R. I. Baker, Coaldale; Mr. and Mrs. Al Miller, Vulcan; Milt Moffatt and Mrs. Art Roberts, Lethbridge; George Rhodes, Calgary; Rev. and Mrs. S. R. Hunt, Turner Valley, and Rev. and Mrs. Peter Dawson. These and other old-timers lived the early days once more as picture after picture of Champion in years gone by was flashed on the screen. Milt Moffatt was quite at home in telling this generation who was who and what was what. The chairman, Rev. W. J. Huston, read extracts of letters from Hans Rue of Box 107, Huntington Beach, California, Mrs. Mabel Jones (nee Smith), Onalaska,

Wash.; Rev. Mansfield Newton of Blenheim, R.R.1 Ontario and Rev. J. W. Oliver of Hannan, R.R.1, Ontario. Mr. Rue is living alone and would be happy to hear from old friends or better still to have them visit him. Mrs. Jones recalled what Mrs. Bond did for her and the Busy Bees Girls' Class, when she was a member of that group as a teen-ager. Church services were held at Frank Smiths (her parents) homestead before the church was built. Mr. Newton sent snapshots of his boys' camp west of Cayley in 1951. Mr. Oliver was proud of his football teams, Jr. and Sr., and remembered his two teams here with a great deal of pleasure.

Rev. S. R. Hunt, now of Turner Valley, minister here 1926-30, sang "Open the Gates of the Temple" accompanied by Mrs. T. P. Carlson. Later he recalled some of his memories of almost 30 years ago. Mr. Dawson felt that the hour of 11 p.m. was too late for him to begin telling his memoirs so they may hold over for the Jubilee celebration in 1961.

On Sunday, Rev. Reid Vipond of Metropolitan United Church, Edmonton and president of the Alberta Conference was the guest preacher, morning and evening, and his messages were certainly appreciated by those who heard him. His evening subject dealt in a most interesting way with the recent General Council of the Church which met in Windsor, Ont.

At the morning service Mrs. Ernest Rhodes was organist and Mrs. J. Sanderson directed the primary choir in several brief selections. Mrs. Wm. Hilz of Vulcan sang, "He Smiled on Me" and "Not a Sparrow Faleth". At the evening service Mrs. T. P. Carlson was organist and Mrs. L. W. Christensen directed the Junior Choir in the Anthem, "The Glorious Giver We Praise."

Mr. and Mrs. A. E. Palmer recently visited members of the Champion Branch, L.D.S. Sunday School and showed their films of Palestine and Pakistan with interesting comments and costumes of these lands.

The annual turkey supper sponsored by the Champion Branch of the L.D.S. Church was very well attended and most successful.

A very hilarious Halloween Party was enjoyed by 40 members of the Champion M.I.A. of the L.D.S. Church. Lorne Smith introduced the program. The evening with spooks and ghosts was under direction of the Special Interest Class. The hall was spookily decorated by the Junior Gleaners and a delicious lunch was served by Bee Hive Girls and Boy Scouts. Twenty-eight players of the Champion Branch, M.I.A., of the Church of Jesus Christ of Latter-day Saints travelled to Lethbridge Stake Roadshow. The play which was written and produced by members of the Champion M.I.A., was presented to two large audiences in Lethbridge along with six from other points. The Champion players were chosen from this group to go to Cardston to be presented at the Regional Roadshow with plays from Raymond, Grassy Lake, Lethbridge, Calgary and Cardston.

The Champion Group travelled by chartered bus to Cardston and had a very enjoyable time. The play entitled "Northern Lights" was written in verse and depicted a mixed-up teen-ager receiving guidance and encouragement from a Boy Scout, aided by a group of choral speakers and

singers. Leading roles were played by Errol Smith and Ronnie Fisher. Over 1,300 people saw the roadshows in Cardston in two packed halls.

Thank You

The ladies of the Senior and Junior W.A.'s wish to extend their thanks to those who helped in any way toward the Turkey Supper on Friday evening. adv-1-c

Here's what keeps the price of gasoline low

Why have wholesale gasoline prices increased only one-third as much as wholesale prices in general since 1935-1939?

Raw material and other costs have gone way up. Why not gasoline?

Gasoline prices have stayed down because a lot of companies are in the oil business—producing, refining and selling, more and more efficiently.

The consumer can shop around—looking for the best products at the best price.

Competition for the motorist's dollar keeps the price of gasoline low.

White; sick and visiting committee, Mrs. E. Erickson and Mrs. N. Soder; library representatives, Mrs. B. McKay; rest room representative, Mrs. O. B. Roe.

The tea draw was won by Mrs. E. Schmidt and a most delicious lunch was served by the hostess, assisted by Mrs. Soder.

"For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trumpet of God: and the dead in Christ shall rise first:

Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord: 1 Thessalonians 4: 16-17

This was written to Thessalonian believers and applies also to those in Christ in any generation. We should be looking for the up-taker not the undertaker. We should be looking for a place in the sky not a hole in the ground.

Oh, joy! Oh delight should we go without dying; no sickness, no sadness, no dread, and no crying; caught up thro' the clouds, with our Lord into glory. When Jesus receives "HIS OWN." advt. —A.C.F.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—
Relieves Pain—Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain. Thousands have been relieved—without resort to surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne)—discovery of a famous scientific institute.

Now you can get this new healing substance in suppository or ointment form called Preparation B. Ask for it at all drug stores. Satisfaction guaranteed or money refunded.

Ice cream and crunchy almonds top these gay Christmas Light-Ups. But the real flavour is baked right in. It's butter—fresh creamy butter—lending its matchless flavor—enriching with its natural goodness. Remember, for all your festive baking and right through the year, "It's Always Better with Butter".

FREE! Marie Fraser's "Merry Christmas" recipes for cookies and candy. Also her new Butter Booklet.

2. Press half this mixture in the bottom of a well buttered 8" sq. cake tin; spread with 2 c. whole cranberry sauce and sprinkle with 1 tsp. grated orange rind and 1/2 c. shredded coconut.

1. Mix 2 1/2 c. rolled oats, 1 1/2 c. sifted all-purpose flour, 3/4 c. brown sugar, 1 tsp. soda and 1/4 tsp. salt. Cut in 3/4 c. butter with pastry blender or knives, till mixture is crumbly.

3. Top with remaining oatmeal mixture. Bake 350°F. for 40-45 min. Cut into squares, serve warm or cold. Make "candles" by topping with ice cream rolls; use almonds for "flames".

3 months'
hammering!

A TUDOR OYSTER PRINCE—the new self-winding watch commissioned by Rolex of Geneva—was strapped to the right wrist of a stone-cutter whose task it was to fashion building stone from granite blocks. He laboured with hammer and chisel for 8 hours a day (4 on Saturday) for 3 months. During this time the watch was never once removed from his wrist. The Tudor Oyster Prince was at the mercy of continual

vibration—arch-enemy of ordinary self-winding watches. But when the watch, filthy with dirt and sweat, was finally unstrapped, it was still functioning perfectly. Its accuracy astonished us. Every one of the watch's 157 delicate parts was then checked against the equivalent part of a new watch, and found to be without the slightest trace of wear or strain. Now you know why the Tudor Oyster Prince is called invincible!

BLACKIE

On Saturday, Oct. 27, a quiet wedding took place in Calgary at the home of Rev. and Mrs. J. V. Howey when Selma Marjorie Bolton and Donald Joseph Sutor were united in marriage. After a short trip to B.C., and the U.S.A., the couple will reside on their farm at Blackie.

Mark Yeomans was a patient in the High River Hospital suffering from a broken hip. He was later removed to a Calgary Hospital.

Mrs. Marjory Powell and family of Calgary were weekend guests with relatives.

Mrs. Lil Manville and son, Ted, of Calgary were Saturday visitors with relatives and friends.

Don Stier of the R.C.A.F., Claresholm, was a weekend visitor at the home of his uncle, Mr. Jim Stier.

There have been a number of big game hunting parties trying their luck this past week. However no one was successful in bringing any home. Mr. and Mrs. Norm Baker motored west of Nanton for a holiday of hunting and said they spotted a number of does.

Mr. and Mrs. Ben Thiessen of Calgary were weekend guests at the home of her parents, Mr. and Mrs. Carl Lindholm.

Mr. and Mrs. Les Sutor and daughter, Judy and Mr. and Mrs. Willis Laycraft motored to Montana for a few days.

Mr. and Mrs. Lenny Southgate and family of Calgary were Saturday guests at the home of Mr. and Mrs. Bud Westersund.

Mrs. Tim Heather and family are guests at the home of her parents, Mr. and Mrs. Frank Powell.

There were no school classes on Thursday and Friday and all the teachers attended the convention held in Calgary on those days.

Church services at the Blackie United Church for November 11, will be at 10 a.m.

Mr. and Mrs. Neil Wadell of Staveland were weekend guests at the home of her parents, Mr. and Mrs. Norman Baker.

Mr. and Mrs. Elva Love of Vulcan and Mr. Norman Love of Hope, B.C., were Sunday guests at the home of Mr. and Mrs. Jim Stier.

Miss Vera Bricker and Mrs. O. Clemens motored to Ontario, where they plan to spend an extended visit with relatives and friends.

Mrs. Pearl Stromsmoe accompanied her son-in-law and daughter, Mr. and Mrs. Jack McCullough of Calgary, motored to Milk River, where they visited with her mother, Mrs. Frank Swanson.

They also visited the Alberta-Montana Pipeline Camp, where Mrs. Stromsmoe's two sons, De-moine and Arnold, are employed.

Mr. and Mrs. Layton Clingan and Mr. and Mrs. Grant Wray motored to Great Falls for the weekend.

Miss Betty Montgomerie, R.N., who has been on the nursing staff at a Vancouver hospital for the past while, was home for a few days and will be starting on the nursing staff at the Colonel Bel-

cher Hospital in Calgary this week.

The Blackie Home and School Association will hold their regular meeting in the school at 8 p.m. on November 13. Guest speaker will be Clayton Bricker of Lethbridge, who will also be showing two films, one on the progress of children from six to nine years and one on how to conduct a business meeting. These educational films from the Lethbridge Film Board should be very interesting and everyone is welcome to attend the meeting. A group discussion will follow.

Norman Doreux of the R.C.A.F. at Edmonton, visited at the home of Mr. and Mrs. Les Sutor and Mr. and Mrs. Harry Weber.

Mrs. Elmer Laycraft who was a patient in a Calgary Hospital has returned home.

Mr. and Mrs. Gordon Cartmell of Edmonton, attended the wedding anniversary celebration of her parents, Mr. and Mrs. E. Auld.

Mr. and Mrs. Ralph Bondy have moved their trailer back to town for the winter months.

EASTWAY

Mr. and Mrs. R. S. Shatto of Calgary were visiting in the district last week.

Bill McMullen met an old friend of the army, Earlan Chambers of Great Falls in town last week. It had been 33 years since they last met.

About 55 members and friends gathered at the community centre on Saturday for a pot luck supper. After supper Mrs. Joan Laycraft, who left the district last fall, was presented with a gift from the Social Club. A very enjoyable evening was spent looking at moving pictures shown by Stuart Campbell and Billy Marshall.

Merle Wyatt was a weekend visitor at the Laughlin home at Dalmead last week.

Mr. and Mrs. Wilf Malmberg attended a play at Carseland on Friday evening.

Ann Oldfield was a weekend visitor at the Archie Oldfield home.

Deepest sympathy of the district is extended to the Ken McLean and Beckner families in their recent bereavement.

Mrs. May McMullen and Mrs. J. Holoboff were High River visitors on Monday.

Mrs. George Goech and children were Nanton visitors on Saturday. Calgary visitors last week were Mr. and Mrs. F. Wyatt, Mr. and Mrs. Stuart Campbell and family, Mr. and Mrs. William Fleming and Ed Baldwin.

We are sorry to hear that Joe Sutor is once again in the hospital and we wish him a speedy recovery.

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

Here are the trucks that conquered the Alcan Highway — one of the world's most challenging roads! Six new '57 Chevrolet trucks, loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail — every conceivable natural roadblock — to Fairbanks, Alaska. Running around the clock, they made this tortuous trip — on average a 72-hour run — in less than 45 hours.

Like a carelessly unwound ribbon, the Alcan Highway twists and reels for 1,520 miles. It tumbles over towering mountains of awesome beauty and wanders through desolate Yukon forests. A miracle of engineering — but a brutal challenge to trucks.

It's the road where trucks grow old before their time. The road where gravel endlessly

sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

This is the road that was chosen to give the new '57 Chevrolet trucks a supreme test of stamina, performance and handling ease. The results of that test made hauling history!

FIRST WITH THE MOST MODERN FEATURES!

New 283-cubic-inch Taskmaster V8 delivers 160 high-torque horsepower. Standard in Series 1800 and 1700, optional in Series 1300 through 1600 at extra cost. Horsepower ranges up to 220 in Chevrolet's complete line-up of modern V8 and 6 truck engines. Revolutionary Powermatic Transmission! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in series 1600 through W1900 models. Hydromatic is offered in 1300, 1400 and 1500 Series models at extra cost. New 1957 work-styling gives Chevrolet trucks an even fresher, fleetier appearance. There are three different and distinctive treatments.

Low Cab Forward models outdate the C.O.E. because they're lower, handsomer, easier to get into and out of, and save time in routine engine maintenance. Yet they offer all the traditional Cab Over Engine advantages. Heavyweight Champs Over Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. And Chevrolet's advanced tandem rear axle unit offers a built-in three-speed power divider — plus a unique "self-steering" action that reduces tire wear and increases handling ease.

(AAA) The Chevrolet Alcan run was sanctioned and official results certified — by the American Automobile Association.

Proved on the Alcan Highway... Champs of every weight class!

Alcan fleet reports up to 20 miles per gallon! That's based on official AAA fuel consumption figures for the Cameo Carrier, powered by the famous Thriftmaster 6 engine and equipped with Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! As a special test, this Powermatic-equipped 1900 Series tractor travelled the length of the Alcan Highway — up mountains and through washouts — in a single forward-speed range!

New Super Taskmaster V8 flattens Yukon mountains! This 1957 1800 Series truck with its new 283-cubic-inch V8 engine was more than a match for Alcan mountains. It climbed towering grades with jackrabbit agility.

The F.W.U.A. would like to remind all residents of this district that the annual drive for the Canadian National Institute of the Blind takes place during November. Your donation is appreciated and they ask that you be ready when the canvasser calls.

The United Church tea and bazaar held in the U.F.A. Hall on Saturday was well attended and patronized. They wish to thank all who helped to make this such a success.

Miss Janis Grant of Calgary spent the weekend visiting at the home of Mr. and Mrs. J. M. Wallace.

Mr. and Mrs. E. Roth and family of Gleichen were Sunday visitors at the home of Mr. and Mrs. R. Helm.

The F.U.A. held their regular meeting on Wednesday in the U.F.A. Hall. Election of officers was the highlight of the day, with those elected as follows: President, Mrs. Leigh Williams; first vice-president, Mrs. M. DeWitt; second vice-president, Mrs. B. MOSSLEIGH

Annual 4-H Club Meeting
The Mossleigh 4-H Club held their annual achievement program on Monday evening. All members were present except one, Darrel Laughlin acted as chairman and Garry Hill was secretary.

The meeting opened with O' Canada and the repeating of the Club Creed. Phillip Washburn read the annual secretary's report, Garry Hill gave the treasurer's report. Then Duane Hill gave a report on his trip to Olds last summer. Mr. Walker, District Agriculturist, told how he arrived at the score and announced that Garry Hill was the efficiency winner. Allan Hurl gave an outline on the Club news. After the program, the prizes were given out. The manager of the Bank of Nova Scotia in Arrowwood presented Lloyd Groenewald with the Cup, a lovely trophy. Mr. Blackie, on behalf of the Lions, presented John Campbell with the Lions Plaque. The following were Club prizes presented by Mr. Tharlie and Mr. Christie: Lloyd Groenewald, show halter donated by Ray Kolmsmith, John Campbell, show halter donated by the four leaders, Dale Wyatt show halter from the four leaders, Garry Tharlie, \$5 from the Sunshine Service Station, Murray Leslie, \$5 from L. Brown, Phillip Washburn, \$5 from the Eastway Club, Donald Campbell, \$5 credit slip from Veterinary Supplies Calgary, Barry Campbell, Jack Leslie and Wayne Christie each stock knife from the club, the rest of the boys each received a cash prize from the club. Dennis Gooch received a \$5 credit slip from Fredrickson's Store for the best dressed calf at the show last summer. Dale Wyatt received the Eaton Kit for Showmanship as well John Campbell who received a Showman Stuck from Mr. Downs. The best record book kept by Garry and Duane Hill and Phillip Washburn. An election of officers for the new year was held with the following elected: President, Dale Wyatt; vice-president, Phillip Washburn; secretary-treasurer, Duane Hill, and William Samardan, John Campbell, Donald Campbell and Allan Hurl, convener. There are twenty-nine members in the club this winter. Lunch was served by some of the mothers.

The Mossleigh Community Club held their November meeting Saturday night in the old hall. Means of making money were discussed. As this was the annual meeting, a new slate of officers was scheduled. All of the officers offered to remain on with exception of the secretary, so a committee was named to sound out a new one before the next meeting. The December meeting is to have some form of entertainment after the meeting which is not to last over an hour and is to start at 8 o'clock. A dance is planned for New Years Eve if they can get the orchestra. Lunch was served after the meeting.

The W.A. held a very successful dinner Friday night. A large number of persons sat at the tables to enjoy a good meal of chicken and all the trimmings. Mr. and Mrs. N. Gateman and Mr. and Mrs. A. Hay motored to Spokane Wash., for a few days holiday last week and were guests of Mabel Journey a former resident of the Mossleigh district. They were accompanied home by Mrs. Polly Kilpatrick who has been visiting in the U.S.A.

Water thrown on an oil fire spreads the flames, with the burning oil staying on top of the water and floating away. Foam chemicals should be used if possible. Baking soda and even flour will smother a small fire. But call the fire department.

NOVEMBER 12-17 IS F.U.A. WEEK

The co-operation of Alberta farmers will determine the success of this very important Farmers' Union membership drive. The issue is squarely up to the farmers to take this opportunity to build a strong Farmer's Union.

U.F.A. Co-op, organized by farmers to serve farmers in the farm supply field, is keenly interested in the development of a strong Farmers' organization. To get a fair deal for agriculture it is essential to have a farm organization with membership representing the majority of the Farmers of Alberta.

U.F.A. Co-op strongly urges all farmers and particularly its members to take an active part in F.U.A. Week. Join the Farmers' Union of Alberta. Get your neighbors to join.
